### Read Matt.14:22-36

- Were the disciples in the will of God?
- Then why did they end up in a great storm, and became fearful?
- Would you rather be Peter, who risked getting out the boat, or the other disciples, who stayed safely in the boat?
- What happened to Peter when he took his eyes off Jesus (vision)?

#### 1. Your vision is your future

##### Read Prov.29:18

- Discuss: Why is the vision you have so important to your future?  
*Your vision determines your future.*  
*What you see is what you become.*

*Jesus beckoned Peter to come, even though Peter lost vision, Jesus recovered the situation, **and did it again!***

##### Read Hab.2:2-4

#### 2. Prepare for bigger things

##### Read Is.54:1-6

Believe again, dream again.

Discuss this statement Ps Glenn made:

***It's not what God believes about, but it's about what you believe God believes about you that matters.***

### **Read Mark 9:23-24**

Believe again, dream again, get the right vision & dream from God! Your vision attracts your future!

### 3. **Invest in your future**

Vision causes discipline!

- If you have a big vision, how would it cause you to have great discipline in your life?  
*Vision makes you discipline your thoughts, what you say and what you do!*

### **Read Gal.6:6-10 & Gen.8:22**

- Why is it so important to sow towards your future harvest, to invest in your future?  
*Everything in life is governed by the principle of seedtime and harvest.  
What you put in (seed), you get out (harvest).*

**Time to dream again, to believe again, to sow again!**
